Email: aliuajibade317@gmail.com

I am an experienced software engineer and graphic designer with a demonstrated history of working in the information technology and services industry. I am skilled in React Js, Sanity CMS, MySQLi DB, PHP and Adobe Photoshop. I am looking forward to building products that will challenge and test my competence in a way that allows me to contribute effectively while also developing my skills.

EXPERIENCE

Olive Crescent Scholars Limited

Jan 2020 – Dec 2021

Front End Trainer

- taught foundation of web development
- used coordination and planning skills to achieve results according to schedule.
- did not only unblock my students when they encounter a bottleneck in a timely fashion, but I also ensure to tell them the reason for the error.

TechEnd Incubation Limited

Oct 2018 - June 2020

Web Development and Graphics Design Intern

I underwent training on web development and graphics and later worked with a UI/UX tutor and some students to build various projects.

- make web designs using Figma under the supervision of the tutor.
- make graphic designs for ongoing projects.
- make websites on management request
- mentor subordinate interns

A handful of Tool was used such as Git, Github, Codepen, PHP, jQuery, React Js, JavaScript, Bootstrap, SASS, Adobe Photoshop, to mention a few.
