I am an experienced web developer and graphic designer with a demonstrated history of working in the information technology and services industry. I'm skilled in React Js, Sanity CMS, MySQLi DB, PHP and Adobe Photoshop. I am looking forward to building products that will challenge and test my competence in a way that allows me to contribute effectively while also developing my skills.

EXPERIENCE

Olive Crescent Scholars Limited
Jan 2020 – Dec 2021

Web Development Instructor

- taught my students foundation of web development .
- used coordination and planning skills to achieve results according to schedule.
- did not only unblock my students when they encounter a bottleneck in a timely fashion, but I also ensure to tell them the reason for the error.

TechEnd Incubation Limited
